SITE UPDATE: NOV 15

Phase II Vertical Progress: The Heights at Meridian

Structural framing for buildings A and B is complete. Electrical and plumbing rough-ins are 45% complete, and alternative HVAC sourcing has resolved the supply chain delays identified last month.

88%	42%	95%

FOUNDER'S NOTE

"The resilience of the local sub-market remains our strongest tailwind. Our fixed-debt strategy and localized demand continue to drive value exactly as projected."
